

TRAILER MANAGEMENT SYSTEM

Where's that Trailer?
Are we expecting you?
Where should I park?
Is this one ready?

SOLUTION

COMPLETE WAREHOUSE VIEW

Provides a complete view of parking locations on the property and any trailers that occupy them

TIME SAVINGS

- Looking around for a trailer
- Inquiring about open spots
- Inquiring about trailer status

TARGET AUDIENCE

All warehouse team members gain some benefit
Gatekeepers, Spotters, WH Operators, Supervisors

EASY TO USE

Simple design that gives everyone the targeted information they need

Parking Location Maintenance

Parking Spot		
ID	In/Out	Active
101	In	<input checked="" type="checkbox"/>
